#### 19. LIMITATION OF LIABILITY COGNOVITS CLAUSE

- 19.1 The responsibility for the decision to participate in a race or to continue with it is solely with the skipper; to that extent the skipper also accepts full responsibility for the crew. The skipper is responsible for the qualification and the correct nautical conduct of the crew as well as for the suitability and the seaworthiness of the registered boat. In cases of force majeure or on grounds of administrative orders or for safety reasons, the organizer is entitled to make changes in the realization of the event or to cancel the event. This does not constitute any liability by the organizer towards the participant, if the reasons for the changes or the cancellation do not result from a wilful or grossly

negligent behaviour of the organizer. In case of a violation of obligations that do not constitute primary or material contractual duties (cardinal obligations – such obligations, the fulfilment of which is necessary to achieve the objective of the contract, which characterise the contract and the fulfilment on which the participant may rely), the liability of the organizer for financial and property damages incurred by the participant during or in connection with the participation in the event and resulting from a conduct of the organizer, its representatives, servants or agents, is restricted to damages that were caused wilfully or grossly negligent. When a violation of cardinal obligations occurs due to minor negligence, the liability of the organizer is limited to foreseeable, typical damages. To the extent that the liability for damages of the organizer is excluded or restricted, the participant also relieves the staff - employees and representatives, agents, servants, sponsors and individuals who provide or drive salvage, safety or rescue vessels or assist with their use - from the individual liability for damages, as well as also all other individuals who were instructed to act in connection with the realization of the event. The above limitations of liability do not apply to damages resulting from injury to life, limb or health.

- 19.2 The effective racing rules of World Sailing, the administrative regulations regatta-sailing and the association law of the DSV (all under [www.dsv.org](http://www.dsv.org)), the class rules as well as the regulations of the notice of race and the sailing instructions, all as amended at the time of the event, shall be complied with and are expressly accepted.
- 19.3 The law of the Federal Republic of Germany shall apply.
- 19.4 Competitors shall present a signed and completed consent and declaration form at registration. For competitors under 18 years of age these forms shall be signed by a parent or guardian. The forms can be downloaded from the event website at [www.optiteamcup.de](http://www.optiteamcup.de).

## 20. [DP] INSURANCE

Each participating boat shall be insured with valid (and for the racing area suitable) third-party liability insurance with a minimum cover of 1.500.000 EUR per incident or the equivalent.
